

# Lecture Series of the Cluster of Excellence 3D Matter Made To Order (3DMM20)

## Magnetolectric Materials for Wireless Neuronal Modulation

**Speaker** Kristen Kozielski, Ph.D.  
Karlsruhe Institute of Technology,  
Institute for Functional Interfaces

**Venue** International Department of the KIT,  
Karlsruhe, Schlossplatz 19  
November 7, 2019 | 3.00 pm
